

# SpotRebate.com

The Simple, Compliant and Secure way to utilize **prepaid debit cards** and **retail gift cards** to seal the deal with your customer – **on the spot.**

A great tool for any event, promotion, rebate program or tradeshow, SpotRebate will provide the extra incentive for your customer to make the purchase right there on the spot.

Web-based and mobile-responsive, this technology allows you to rapidly execute “cash-award” sales promotions delivered to end customers from anywhere, including right at the spot of the sale.

Our proprietary software is easy to use, allowing you to efficiently setup and manage promotions and quickly submit applications for your customers to receive SpotAwards. Upon application approval, your customer can redeem their SpotAwards with just a few clicks and receive their prepaid debit card or retail gift card within minutes, via email.
